To Whom It May Concern,

Gary Stong was my employee from April of 2019 to May of 2025. Gary worked on our web team whose primary duties include providing development and support for many of our websites. He was an excellent employee. He was hard-working and always had a positive attitude. He was a fast learner and always willing to take on any task or assignment that he was given. He seemed to enjoy learning new things and taking on new challenges. He was a valued member of the team and always willing to help his team with whatever task that they were given. He also volunteered to work overtime when needed. All his peers enjoyed working with him.

Feel free to contact me if you need any additional information.

Sincerely,

Randy C. Vierling II
